Subject: RE: 2002 Research Results Communication Meetings

Mohamadi Sarkar will present the biomarker results from the TES pilot study. Time needed for presentation is about 30 minutes.

Best regards

Hans

The first of these meetings is rapidly approaching--Oct. 22 from 8a - 12n in the Executive CR. Staff is responsible for providing to me topics, speaker and time allotment. Hans, are you presenting 'nicotine and butt analysis'?

I've tentatively booked the following dates in the Executive video conference room from 8a - 12n eastern:

Oct. 22
Nov. 25
Dec. 5
Dec. 13

Would someone from INBIFO confirm if the Dec. 3-5 symposium is still sheduled or possibly rescheduled for Dec. 16-18.
